

50mm Gecko Grip Tape

- Designed to provide a safe, non-slip surface under shoe traffic to prevent unnecessary slips and falls
- Strong PET backing filled with a gritty mineral abrasive to create traction
- PET backing is stronger and more durable than those with a PVC backing
- UV Properties
- Indoor and Outdoor Use
- Carbide 60 Grit
- Easily adheres to most surfaces
- Tested to slip resistance standard AS 4586:2013 with a slip resistance rating of P5

50mm WIDE | **3.0m LONG**
