* When gluing tile, use a neutral cure silicone.

Warranty information and Care & Maintenance can be found at www.lauxesgrates.com.au

Disclaimer: All Lauxes grates and accessories hold WaterMark Certification in accordance with WMTS - 040.

CUTTING INSTRUCTIONS AND INSTALLATION

For ease of cutting Lauxes grates, we recommend using a compound mitre saw fitted with a multi-material cutting blade 80 tooth or more.

1. Cut your Lauxes grate to the desired length.
2. Remove existing plastic top tray.
3. Replace with new Lauxes Storm Water top tray.

* During installation ensure the grate does not come in contact with any wet cement based products.
