

DTA ALUMINIUM BALCONY TRIM

DATA SHEET REF: DTA_ALBT001

- Balcony trim has been designed to stop watermarks forming on balcony fascias
- The lip design at the bottom of the trim stops any water from running down the fascia
- Ideal for domestic or commercial application
- Available in 3metre lengths
- The patented joining system makes for easy installation. (ALBTJ)
- Internal (ALBTIC) and external (ALBTEC) corners available
