

LOLA

COUNTER TOP BASIN - Premium Vitreous China, High Gloss White

The Lola counter top basin features a thin edge and shadow base & is designed to be mounted on top of a vanity or counter top bench, combined with a vessel or wall basin mixer. The base of this basin gives it the appearance of floating above the vanity bench & compliments the Lola freestanding bath perfectly. An overflow hole is built into the front of the basin to take any excess water back to the waste.
